

# Hiring a tech-savvy student?

You may qualify for up to **\$7,000.00 in wage subsidies** through The Information Technology Association of Canada (ITAC).

ITAC has served as the leading voice for Canada's information, communications and technology (ICT) industry, championing the development of a robust, competitive and sustainable digital economy in Canada for more than 60 years. Part of our mission is to **develop talent in the tech sector, and we want you to join us in creating the next generation of leaders.**

As a partner of the Government of Canada's Student Work Placement Program (SWPP), ITAC is providing wage subsidies to support the growth and development of talent in the tech sector.

Consider applying if you are a registered Canadian business with the ability to offer a 12-18 week work placement to a full time student from any of the following post-secondary institution disciplines:

- Business Technology Management (BTM)/Management Information Systems
- Computer Science/Systems Technology/Computing/Computer Technology
- Computer/Software Engineering
- Artificial Intelligence
- Cyber Security

*Note: International students are not eligible to receive this subsidy.*

Applications for Fall 2019 will open in July. Stay up to date with the status of our funds and intake periods at [www.itactalent.ca/careerready](http://www.itactalent.ca/careerready).
