

# Research Grant

The CEWIL Research Grant is available to *co-op and work-integrated learning practitioners and researchers*.

## Why should you consider applying?

- Connect and collaborate with colleagues across Canada
- Produce and share meaningful co-operative education or work-integrated learning-related research
- Obtain expert feedback, support and motivation to move forward with your ideas
- Build co-operative education and work-integrated learning credibility within your own institution
- Elevate you and your institution's involvement in co-operative education and work-integrated learning
- Provide a jumpstart for analysis and action in your own co-op/WIL program
- Extend your continuing education (Masters, PhD) research in new directions
- Contribute to CEWIL and Canada's leadership in the domain of work-integrated learning and co-operative education

**DEADLINE: Friday March 29, 2019**

Heather Skanes, Member  
CEWIL Research Committee
